which thoroughly cleanses the blood of all the accumulated impurities, tones up and strengthens the entire system, and aids Nature in renovating and renewing the body so as to render it healthy and strong. Those who purify their blood with S. S. S. at this season are well fortified against the many forms of disease so prevalent dur-ing the dreaded heated term, for it has been demonstrated that the system that is thoroughly purified in the spring is well prepared to resist disease all summer.

No other remedy on the market is equal to Swift's Specific as a spring medicine, because it is the only purely vegetable blood remedy and is guaranteed absolutely free from potash, mercury and al other minerals. It cleanses, purifies, builds up and strengthens. Insist on S. S. S., for there is nothing half as good.
